

# OUR EASY GUIDE TO TIMED AUCTIONS

## STEP 1

Go to our website at  
[www.castle-auctions.com](http://www.castle-auctions.com)

You will need to register a debit or credit card with  to bid

All bidding is made online through your smartphone, tablet or pc

## STEP 2

Under 'Upcoming Auctions' click on the auction you want

## STEP 8

Now wait until the end of the auction to see if you were the highest bidder. Good Luck!\*\*

## WHAT IS A TIMED AUCTION?

In a timed auction you don't have an auctioneer calling the bids. Bidding is online only with a fixed time for each lot that bidding will end so all bidders know the exact time that the lot will close. The highest bidder will win the lot at the closing time.

## STEP 3

Browse the Catalogue. If you want to leave a bid click on the link to [easyliveauction.com](http://easyliveauction.com)

## STEP 7

Return to the catalogue and leave bids on any lots you want to win

## STEP 6

Choose 'Free Registration' or pay a flat fee\*

## STEP 4

Click on the green 'Register to Bid' Button

## STEP 5

Log in to EasyLive Auctions or create a new account

Bid against other online bidders. You will receive an email message if you are outbid

Internet Surcharge  
In addition to our standard buyers premium you can choose to pay a flat fee of €3 or free registration and an additional 3% plus vat on successful bids.

\* When choosing Free Registration a small amount between 10c-30c is 'Pre-approved' against your credit or debit card to confirm a valid card and bidder - this amount is NOT COLLECTED. Please note that PREPAID Debit cards must have a positive balance to allow for the 'Pre-approved' fee to be authorised.

\*\*If you are outbid you will receive a message at your registered email address giving you time to leave another bid and extending the auction end time for that lot by 1 minute.
